EMERGENCY APPEAL

The protracted conflict in Gaza has left nearly 2 million people displaced. To address the critical need for shelter, LIFE is in the process of delivering 100,000 winterized tents. These high-quality, fully water-proofed tents measure 4mx4m and can house up to five people. These tents give displaced families a source of comfort and security despite the chaos that surrounds them. Provide shelter and relief to families in Gaza facing the harsh elements. Help secure temporary homes for them today.

**HELP TO FEED THE 40 MILLION
CURRENTLY FACING STARVATION**

Across the globe, billions endure chronic hunger, with over 40 million teetering on the brink of starvation. Join us in alleviating their suffering through LIFE’s SHARE program.

GIVING ORPHANS PEACE OF MIND

As you read this, there are children in Gaza who are injured and have lost all their family members due to the Israel/Gaza conflict. A new acronym has emerged to describe these children- WCNSF. It stands for Wounded Child No Surviving Family. Some are so young they don’t know their names, and some are so traumatized they can’t speak. Even though we don’t know their identity right now, we do know they desperately need our help. Sponsoring a WCNSF for \$60/month or \$720/year means that child will have the security of having their basic needs met. It is a measure of peace in their arduous journey to overcome their hardships and to heal.
